MEDICARE MIPS REPORTING INDIVIDUAL OFFICE SUPPORT

PRACTICE NAME: _____

PHONE _____ EMAIL _____ CONTACT: _____

Consultants from Mountain-Pacific Quality Health are willing to help primary care providers one on one in your individual offices with Medicare MIPS (Merit Based Incentive Payment System) reporting. This applies to **NON-CPC+ Participating Providers** and offices that are **billing > \$30K annually to Medicare with >100 Medicare Part B Patients**. This will help offices avoid future cuts in your Medicare reimbursement rates.

This one-on-one support will be provided **IN ADDITION** to the group workshop scheduled on Tuesday, September 5.

Please mark your first, second, and third choice. First come, first served. The consultant will make an office visit during your selected time. You will be contacted to confirm your appointment.

9/5/2017 Tuesday

Preference	9:00-10:00 AM	10:30-11:30 AM
