

Jeff Beal currently serves as Vice President, Optum Corporate Development. A healthcare executive with over 25 years of experience, Beal works to successfully build, acquire and transform large physician groups, growing to more than 35 markets and over 35,000 employed and contracted physicians in various medical groups and independent practice association (IPA) settings. Beal also held previous positions at Intermountain Healthcare, Aetna, and Quest Diagnostics. He holds a Bachelor of Science degree from the University of Utah and a Master of Health Services Administration and Management from Colorado State University.
