

## BEACON HAWAII'S PCP SUPPORT

### **PCP Toolkit**

PCP tool kit is the on-line assistance for PCPs to treat Patient with Behavioral Health (BH) condition Guidelines for diagnosis and treatment and Factsheets and assessment tools.

<https://www.beaconhealthoptions.com/pcp-toolkit/>

### **Psychiatric Decision Support Line**

Beacon's full time triple board-certified psychiatrist Dr. James Westphal will answer PCP's questions regarding overall BH treatment and medications.

### **Behavioral Health Referrals / Appointments**

Beacon's full time Clinical Appointment Coordinator will make BH referrals and appointments for members.

### **Behavioral Health information and resources**

Beacon's full time licensed clinician will provide behavioral health information and resources (i.e. what do after PHQs.)

### **ECHO Presentation/Trainings**

Beacon MD will provide trainings for ECHO Hawaii (virtual clinic) quarterly for participating PCPs.
