

QUEEN'S CLINICALLY INTEGRATED
PHYSICIAN NETWORK

Expert Advice on Colorectal Cancer Screening & Ecosystem Health Fair

The QCIPN (Queen's Clinically Integrated Physician Network) is teaming up with the American Cancer Society to share winning strategies in preventative health and disease management – with a focus on removing barriers for patients and colorectal screening. In addition to the expert advice, we are showcasing community partners that offer amazing resources for your patients!

✓ **Nationally-Acclaimed** Duardo Brooks, MD, MPH (VP Cancer Control Interventions for ACS): *"Overcoming Barriers to Cancer Prevention & Early Detection: Focus on CRC & HPV."* **Gain CME credits for attendance!**

✓ **Ecosystem Health Care Fair** One-on-one access to leading community nonprofits and experts in disease treatment & prevention. Learn about amazing resources and education materials for your patients! **Participants include:**
