

# Dr. Daniel Lev, Psychologist Specializing in Pain Management

Dr. Lev, psychologist with 25 years of experience in specializing in pain management, has cared for survivors of rat lungworm. He will provide a pre-recorded video related to his work on pain management and rat lungworm. Survivors and their caregivers will be able to email Dr. Lev with follow-up questions. Dr. Lev has been practicing on O'ahu since 2014 and runs the Comfort Clinic in Haleiwa. He is also the chief psychologist in the chronic pain program located in the Premier Medical Group-Hawaii in Kaneohe.
