

*Where Quality
of Life Matters*

Hawaii Care Choices is seeking experienced and compassionate **Hospice and Palliative Care Physician** to join our team. Our ideal candidate will play an integral part of our community, providing compassionate, and quality end-of life care through support, counseling, and education for our patients and their loved ones.

Hawaii Care Choices serves all of the East Hawaii community on the Big Island of Hawaii, beginning at Laupahoehoe to South Point and our 12-bed inpatient facility -Pohai Malama Care Center located in Hilo.

This Physician will operate under the direction of the medical director and will assume the medical director's responsibilities and obligations in his/her absence. Working in conjunction with the patient's attending physician, will be responsible for the palliation and management of the terminal illness and conditions related to the terminal illness.

Primary responsibilities of this position is to:

- Provide daily leadership and clinical support for hospice and palliative care teams
- Actively educate, collaborate, and promote the utilization of Hawaii Care Choices with providers, resources, and community at large.
- Engage hospice patients where they reside, providing palliative care consult visits with Hilo Medical Center and other facilities within service area.
- Take on the role of primary care provider for hospice patients without a primary care provider/attending physician.
- Provide daily leadership and clinical support for hospice and palliative care teams.
- Participate and work collaboratively with Hawaii Care Choices' employees in the Hospice IDT meetings.
- Share night and weekend call duties with other hospice and palliative care physicians for home care and care center.

Please contact us at 808-969-1733 or careers@hawaiicarechoices.org if you have any questions.
