

QUARTERLY PAU HANA MIXER

Provider members are cordially invited to our second Pau Hana “Mixer.” This is a member networking event—no speeches, no formal program... just come and “talk story” and relax with fellow providers over a glass of wine or beer and pupus.

We will continue to schedule this on a regular basis—to encourage our provider community to get to know one another, as well as the residents at Hilo Medical Center.

SPACE IS LIMITED. MUST RSVP. FIRST COME, FIRST SERVED.
